Three ways we make good health easier

- **Quality care.** We do what it takes to help you get healthy, and partner with you to be your own health advocate which leads to better outcomes.
- **Convenient care.** We offer care and coverage together, so you get all you need to live well in one easy-to-use package.
- **Choice.** We give you lots of options, from your choice of great doctors, to different ways to access care, to many convenient locations—so staying on top of your health is easier.

main reasons to choose **Kaiser Permanente**

A healthy partnership

- **Choose your own personal doctor.** Browse our online doctor profiles and choose one that's right for you. And you can change doctors at any time, for any reason.
- **Easy access to specialists.** Referrals are not needed for certain departments like obstetrics-gynecology, psychiatry, chemical dependency and drug addiction.
- **Great doctors working together as a team.** You have the support of an entire care team who works together and is connected through your electronic health record, so you get the right care at the right time.*
- **Care to meet our diverse membership.** Many of our doctors and staff speak more than one language, and we offer interpreter services by phone in over 140+ languages, so your get personalized care.

Convenient locations and access

- **Many services under one roof.** At most of our facilities you can see your doctor or specialist, get a lab test or X-ray, and pick up medications—so you can save time by doing more in one visit.
- **Convenient access.** Many of our facilities offer same-day, next-day, after-hours, and weekend services for easier care.
- **Get care anywhere.** We have lots of convenient locations, and you're not tied to just one. You can see different doctors at different facilities for yourself or your family.
- **Get care away from home.** You're covered for emergency and urgent care when traveling away from home.

Care the way you want it

Many convenient options for getting and managing your care.

- **Call our advice nurses 24/7.** They will assess your situation and help you decide what to do or make an appointment for you to get care.
- **Choose how you want to have your appointment.** See your doctor in person, or schedule either a telephone or video appointment, when appropriate and where available.
- **Email your doctor anytime.** Send your doctor's office an email with nonurgent questions and get a response usually within 48 hours—often sooner.
- **Manage your care online at kp.org.** Make and cancel routine appointments, refill prescriptions, see most lab test results, and more.
- **Use the Kaiser Permanente app.** Download our app to your smartphone and use all the online features of kp.org from your phone, plus find locations near you, and more.
