

# Security Camera Registration

Individuals wishing to participate in the Security Camera Registration program can fill out this form and submit to the addresses listed below. To register multiple locations, use separate forms for each address. For more information about the program, or to report a change in status (e.g. no longer utilizing security cameras, change in exterior camera locations, no longer residing at the address), please send an e-mail.

**Please note:** camera registration is encouraged, but not required - participation in the program is voluntary. Under no circumstances will the Huntington Beach Police Department have any control of the cameras owned by the registrants.
