OCTOBER DONATION UPDATE

The Huntington Beach Neighborhood Watch Program (HBNW) fiscal year is from July 1 to June 30 each year. We have estimated we will need approximately $24,300 this year to cover the various HBNW program expenses which include, but are not limited to, newsletter assembly, distribution costs, returned postage, mailing labels, etc. From the start of our fiscal year to now, we have received $7,061.31 in donations and newsletter advertisements— we have $17,238.69 to go by June 30, 2015. The HBNW Board thanks you and our advertisers for your support and generous donations. An $8 donation pays for each subscriber’s distribution costs; a $10 donation helps with these costs and other needed expenses and puts your name in the Newsletter as a contributor; and a $25 or more donation accomplishes the above, plus you will receive a HBNW sticker and a token of appreciation. Remember, HBNW is a non-profit organization; donations are tax deductible.

As a resident of the city, we encourage you to review the HBNW program budget and expenses. We strongly suggest you sign up to receive your Newsletter either electronically or through the mail. The Newsletter has valuable crime prevention information and crime statistics. Donations are not necessary to receive the Newsletter, but if you wish to make a donation, please make your check payable to:

Safety Tips For the Holidays

The Huntington Beach Police Department would like you to have a safe and happy holiday season. HBPD wants to share some safety reminders with you and hope you will share them with your family and friends.

Don’t give a criminal the opportunity to enjoy the holidays with your gifts and money. If we all take steps to look out for our neighbors, report all suspicious activity, and practice some of the following safety tips we will all have a happy, joyous and peaceful holiday season.

Let’s start with your home:

✔ Always lock and secure your doors even when your go to a neighbor’s house or you are home. Lock all your windows when you go out or retire for the evening, and use secondary locks.
✔ Use timers on interior lighting and/or radios so your home will always look lived in.
✔ Use motion sensors or dusk to dawn sensors on exterior lighting.
✔ Place gifts where they can’t be seen from outside.
✔ Mail items at the Post Office.
✔ Do not display pictures of purchased items on cardboard in your recycle bin.

When possible always lock and secure your vehicle inside a locked garage, and remember to remove all valuables from sight including GPS holders. If possible place valuables inside your home.

During the September 2\textsuperscript{nd} Huntington Beach City Council Meeting, Mayor Matthew Harper and Police Chief Robert Handy publicly announced their support for a unique public awareness campaign which focuses on improving the public’s response to sexual assault.

The campaign is called \textit{Start by Believing} and was developed by End Violence Against Women International (EVAWI). The campaign sheds light on the importance of how friends and family members respond when a victim of sexual assault confides in them. All too often the response can be negative, demeaning, or infer the victim brought the attack upon themselves. A negative response can worsen the trauma, decrease the likelihood the victim will report the assault to the police, and foster an environment where sexual assault predators face zero consequences for their crimes.

Research documents that rapists attack an average of six times, which means one failed response can equal five more victims. \textit{Start by Believing} will lead the way toward stopping this cycle by creating a positive community response. The campaign’s goal is to educate the community and to encourage a proper response when learning about a sexual assault.

The Huntington Beach Police Department wants to end the stigmas that can sometimes be attached to sexual assault and encourage victims to come forward. Through a caring and supportive response, we can start the healing process and hold sexual predators responsible for their actions.

For additional information, please visit the \textit{Start by Believing} website at: \texttt{www.startbybelieving.org} or the End Violence Against Women International (EVAWI) website at: \texttt{www.evawintl.org}

\textbf{Safety Tips for the Holidays}

(continued from page 1)

- Never open your door to strangers, and remind your children to always check with the adult watching them before they open the door, even if they know the person(s).

- Before you donate to people claiming to be from a charitable organization, check them out. You can always send a check at another time. Get their phone number from the phone book, or on-line yellow pages.

- If you’re going away, stop all services, i.e. newspaper, mail, etc. or ask a trusted neighbor to pick up mail, newspapers, etc. from in front of your home. You can also go on-line to the \textbf{Huntington Beach Police Department web site, www.hbpd.org}, and submit a request for a vacation house check. On the site, scroll down to Vacation House Check, click it to bring up the Vacation House Check form, fill it out, and click on submit. You may also call our RSVP (Retired Senior Volunteer Program) office at 714-374-1507 to make a request. This service is FREE.
