JUNE DONATIONS UPDATE

The Huntington Beach Neighborhood Watch Program (HBNW) **fiscal year** is from July 1 to June 30 each year. We have estimated we will need approximately \$24,300 this year to cover the various HBNW program expenses which include, but are not limited to, newsletter assembly, distribution costs, returned postage, mailing labels, etc. From the start of our fiscal year to now, we have received **\$18,607.00 in donations and newsletter advertisements- we have \$5,693.00 to go by June 30, 2017.** The HBNW Board thanks you and our advertisers for your support and generous donations. An \$8 donation pays for each subscriber's distribution costs; a \$10 donation helps with these costs and other needed expenses and puts your name in the Newsletter as a contributor; and a \$25 or more donation accomplishes the above, plus you will receive a HBNW sticker and a token of appreciation. Remember, HBNW is a non-profit organization; **donations are tax deductible.**

As a resident of the city, we encourage you to review the HBNW program budget and expenses.

We strongly suggest you sign up to receive your Newsletter either **electronically** or through the mail. **The Newsletter has valuable crime prevention information and crime statistics.** Donations are not necessary to receive the Newsletter, but if you wish to make a donation, please make your check payable to:

Neighborhood Watch Newsletter Survey

The Huntington Beach Police Department and the HB Neighborhood Watch Program are always looking for ways to improve on the information provided to those who work and live in this great city. Technology and the way the police department tracks criminal activity is one of those areas which is continually evolving.

The Police Department has a desire to move the Neighborhood Watch Newsletter to a more interactive, electronic online format. This will improve on the accuracy of the information provided to the citizens and provide direct access to crime trends in your neighborhood.

For the past 45 years, the newsletter has served the community as the main source of information by either US Mail or local pick up locations. The total cost of this newsletter is approximately \$31,000 annually between printing and postage. We currently print 9,000 copies and mail approximately 7,500 newsletters to households throughout HB. Your HB Neighborhood Watch Program has always paid the postage and other expenses with the money collected from your most generous donations. If you would like to receive your Newsletter on-line, send a request via e-mail to nberndt@hbpd.org. Be sure to include the following: If you presently receive the newsletter by mail, your name and address as it appears on your mailing label (so you can be deleted from that list). If this is a new subscription, include the e-mail address where you want it sent and write "New Subscription".

We are asking our readers to complete the survey below so we can better evaluate how the newsletter will be distributed in the future. You may call in your survey to (714) 536-5933; if you reach a recording, please leave your answers via voicemail.

OUR HUNTINGTON BEACH POLICE DEPARTMENT **VOLUNTEERS OF THE YEAR**

The Huntington Beach Police Department has three volunteer groups: the HB Neighborhood Watch program, the RSVP program (Retired Senior Volunteer Program), and the VIPS program (Volunteers in Police Services). Every year we ask each group to select two of its' members that stand out for their excellent work. Over the next few months, we will tell you the story of each of the volunteers: Rosemary Cowell, Lil Disharoon, Mike Foreman, Jeff Myer, Manny Vizinho, and Roger Yoon.

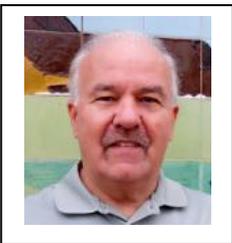

MANNY VIZINHO **“HB VOLUNTEERS IN POLICE SERVICES** **VOLUNTEER OF THE YEAR”**

Some of the words used to describe Manny are responsible, dependable, and loyal. Manny joined the Volunteers in Police Services (VIPS) over 13 years ago, and he has been very instrumental in encouraging other people to get involved with the program during this time.

Manny is the type of person that truly wants to assist this Department and the Community and demonstrates it in all that he does. He can be found working on a regular basis assisting residents and tourists at the HBPD South Substation. He gives tours of the Police Station for schools and citizens, and is responsible for refilling the emergency medical supply kits at our substations and various other places throughout the city. Some of Manny's other duties include volunteer scheduling and training other volunteers to work at the South Substation.

The department often receives accolades from other volunteers or residents about Manny saying how personable and knowledgeable he is. People are grateful when he goes the extra mile to assist them or takes the time to explain things. One of the things people say is Manny is well organized, hard working, and pleasant to everyone that comes in contact with him. He accomplishes every task placed before him. He is quiet and resourceful. He has high values and is interested in serving others.

Manny follows all procedures and is a team player. Manny will flex his schedule when possible to assist others. His willingness to go that extra mile exceeds all expectations of the job and is admirable. All of these qualities along with his cheerfulness, and friendly personality make him an excellent role model for all the VIPS.

JEFF MYER **“HB VOLUNTEERS IN POLICE SERVICES** **VOLUNTEER OF THE YEAR”**

Jeff joined the Volunteers in Police Services (VIPS) over 12 years ago. Some of the words used to describe Jeff are hardworking, conscientious, trustworthy and loyal.

Jeff is an instrumental member of the Training Unit staff. He regularly puts in several hours per day over several days per week for the Training Unit. His hours vary from week to week because as he will always stay to complete whatever job needs to be done, regardless of how long it takes.

Jeff volunteers by maintaining all the paperwork and files related to HBPD firearms. Jeff has taken it upon himself to clean up and digitize the firearms issuing system and has helped revamp the way firearms are currently issued. During Jeff's audit of PD firearms, he noted several discrepancies from our former system which lead to inaccurate inputting regarding the state/federal systems. Jeff has also taken it upon himself to audit officers who had not received their vested guns and new duty guns owed to them. As of this writing, over 20 officers have received new duty firearms because of Jeff's diligence.

Jeff has further made himself available to the Training Unit by answering emails and solving problems in the quickest manner.

Most importantly, Jeff's work has allowed the members of the Training Unit to focus their efforts on providing necessary training for our officers.

The Huntington Beach Police Department is proud to recognize Jeff Myer, as Volunteer of the Year for the Volunteers In Police Services and thank him for his commitment, dedication and service.

ATTENTION: NEW CRIME STATISTICS FORMAT

Crime period: May 1, 2017 to May 31, 2017

In order to have HB Neighborhood Watch Newsletter crime statistics match what is reported by the HBPD crime analysis team to the Department of Justice, our crime statistic page formats have changed. Although it may look a little different, residential burglaries will still be reported as well as a small narrative of how the crimes may have occurred. Vehicle burglaries are in another chart broken down by Beat and RD, and Grand Theft Auto can be found in the large chart broken down by Beat. You will also find other crime statistics on the chart, such as rape, robbery, thefts from vehicles, etc. To locate your Beat and RD, please check the map on page 7.

We would like you to provide us with your feedback. If you send back the survey on page 2, please include a few comments about pages 4 and 5 of the newsletter. You may also call the Community Relations Specialist at 714-536-5933; if you get a recording, please leave a message.
