MARCH DONATIONS UPDATE

The Huntington Beach Neighborhood Watch Program (HBNW) **fiscal year** is from July 1 to June 30 each year. We have estimated we will need approximately \$24,300 this year to cover the various HBNW program expenses which include, but are not limited to, newsletter assembly, distribution costs, returned postage, mailing labels, etc. From the start of our fiscal year to now, we have received **\$10,875.12 in donations and newsletter advertisements- we have \$13,424.88 to go by June 30, 2018.** The HBNW Board thanks you and our advertisers for your support and generous donations. An \$8 donation pays for each subscriber's distribution costs; a \$10 donation helps with these costs and other needed expenses and puts your name in the Newsletter as a contributor; and a \$25 or more donation accomplishes the above, plus you will receive a HBNW sticker and a token of appreciation. Remember, HBNW is a non-profit organization; **donations are tax deductible.**

As a resident of the city, we encourage you to review the HBNW program budget and expenses.

We strongly suggest you sign up to receive your Newsletter either **electronically** or through the mail. **The Newsletter has valuable crime prevention information and crime statistics.** Donations are not necessary to receive the Newsletter, but if you wish to make a donation, please make your check payable to:

The Huntington Beach Police Department Is Posting Crimes on CrimeReports.com

HBPD has partnered with CrimeReports.com to display crime activity in the city. Crimes are shown as reports are entered by location and type of crime. From the HBPD website, www.hbpd.org, under “Crime Information”, click on “Online Crime Mapping Data” to see the city map below. When you click on an incident, the data will show below. Click on “FAQ” for more information.

Jeans for Justice Day Wednesday April 25th 2018

Denim Day is an event in which people are encouraged to wear jeans (denim) in order to raise awareness of rape and sexual assault.

Background : In Rome in 1997, a 45-year-old driving instructor was accused of rape. When he picked up an 18-year-old girl for her first driving lesson, he allegedly raped her for an hour, then told her that if she was to tell anyone he would kill her. Later that night she told her parents and her parents agreed to help her press charges. While the alleged rapist was convicted and sentenced, the Italian Supreme Court overturned the conviction in 1998 because the victim wore tight jeans. It was argued that she must have necessarily have had to help her attacker remove her jeans, thus making the act consensual ("because the victim wore very, very tight jeans, she had to help him remove them... and by removing the jeans... it was no longer rape but consensual sex"). The Italian Supreme Court stated in its decision "it is a fact of common experience that it is nearly impossible to slip off tight jeans even partly without the active collaboration of the person who is wearing them." As of 2008, the Italian Supreme Court has overturned their findings, and there is no longer a "denim" defense to the charge of rape.

Reaction: This ruling sparked widespread protest. The day after the decision, women in the Italian Parliament protested by wearing jeans and holding placards that read "Jeans: An Alibi for Rape." As a sign of support, the California Senate and Assembly followed suit. Soon Patricia Giggans, Executive Director of the Los Angeles Commission on Assaults Against Women, (Now Peace Over Violence), made Denim Day an annual event. As of 2011, at least 20 U.S. states officially recognize Denim Day in April. Wearing jeans on this day has become an international symbol of protest against erroneous and destructive attitudes about sexual assault.

National Law Enforcement Week May 13, 2018 to May 19, 2018 (aka Blue Ribbon Week)

In 1962, President John F. Kennedy signed Public Law 87-726 designating May 15 as Peace Officers' Memorial Day, and the week in which May 15 falls as National Police Week. The law was amended by the Violent Crime Control and Law Enforcement Act of 1994, Public Law 103-322, signed by President Bill Clinton, directing that the flag of the United States be displayed at half-staff on all government buildings on May 15 each year. While the actual dates change from year to year, National Police Week is always the calendar week, beginning on Sunday, which includes May 15th.

While the public should recognize the bravery, courage, honor and integrity shown by our nation's law enforcement officers every day, there is one day each year set aside to show how much we value their service and protection of our communities.

Every year the [National Concerns of Police Survivors](#) (C.O.P.S.) encourages everyone to show support for the more than 900,000 law enforcement officers in America. National Law Enforcement Appreciation Day (L.E.A.D.) is a way to show the men and women in blue how much we value them.

There are a number of ways to show support from planned events to simply changing your social media [profile picture](#). Other ways to show support include shining a blue light from your home, hanging a Blue Ribbon on your porch or around your trees. You can also tie a blue ribbon on your vehicle or simply send a card of support to your local Police Department.

ATTENTION: NEW CRIME STATISTICS FORMAT

Crime period: February 1, 2018 to February 31, 2018

In order to have HB Neighborhood Watch Newsletter crime statistics match what is reported by the HBPD crime analysis team to the Department of Justice, our crime statistic page formats have changed. Although it may look a little different, Residential burglaries will still be reported as well as a small narrative of how the crimes may have occurred. Vehicle burglaries are in another chart broken down by Beat and RD, and Grand Theft Auto can be found in the large chart broken down by Beat. You will also find other crime statistics on the chart, such as rape, robbery, thefts from vehicles, etc. To locate your Beat and RD, please check the map on page 7.

**The Huntington Beach
Neighborhood Watch
Newsletter-Quarterly Publication**

The Huntington Beach Police Department and the HB Neighborhood Watch Program are always looking for ways to improve on the information provided to those who work and live in this great city. For the past 45 years, your HB Neighborhood Watch newsletter has served the community as the main source of information by either US Mail or local pick up locations. The total cost of this newsletter is approximately \$36,000 annually between printing and postage. Your HB Neighborhood Watch Program has always paid the postage and other expenses with the money collected from your most generous donations. In addition, your donations pay for events such as National Night Out and Neighborhood Watch street signs posted in neighborhoods.

In the future, the Police Department has a desire to move the Neighborhood Watch Newsletter to a more interactive, electronic online format. This will allow for additional crime prevention features and provide the residents of Huntington Beach access to an up-to-date crime statistic database and real time information. The newsletter will still be available to those residences who wish to continue receiving it in the mail and who responded to the survey that was put out for several months last year.

Effective April 2018, the newsletter will be printed and published electronically in January, April, July, and October. The next newsletter will be published in July 2018. If you wish to have your newsletter mailed out to you, you may contact (714) 536-5983 and we will add you to the mailing list.

**New Police Department
Front Desk Hours**

Beginning January 13, 2018, the Police Department lobby will be closed Saturdays, Sundays and holidays (except the 4th of July). Business hours during the week are now from 8:00AM to 7:30PM.

Coyote Incident Reporter

The City of Huntington Beach has adopted a Coyote Management Plan. The goal of the plan is to support coexistence with urban coyotes using education, behavior modification, and development of a tiered response to aggressive coyote behavior. The City requests everyone complete the on-line form to report the sighting of and/or actions of coyotes. The City will use this information to take the appropriate public safety response according to the Management Plan.

The on-line Coyote Incident Reporter reporting form can be accessed via the City's website (<https://www.huntingtonbeachca.gov>) by going to the "I Want To" link followed by the "Report" link and then the "Coyote Issue" link.
