### DECEMBER DONATIONS UPDATE

The Huntington Beach Neighborhood Watch Program (HBNW) fiscal year is from July 1 to June 30 each year. We have estimated we will need approximately $24,300 this year to cover the various HBNW program expenses which include, but are not limited to, newsletter assembly, distribution costs, returned postage, mailing labels, etc. From the start of our fiscal year to now, we have received $8,955.12 in donations and newsletter advertisements- we have $15,344.88 to go by June 30, 2018. The HBNW Board thanks you and our advertisers for your support and generous donations. An $8 donation pays for each subscriber’s distribution costs; a $10 donation helps with these costs and other needed expenses and puts your name in the Newsletter as a contributor; and a $25 or more donation accomplishes the above, plus you will receive a HBNW sticker and a token of appreciation. Remember, HBNW is a non-profit organization; donations are tax deductible.

As a resident of the city, we encourage you to review the HBNW program budget and expenses. We strongly suggest you sign up to receive your Newsletter either electronically or through the mail. The Newsletter has valuable crime prevention information and crime statistics. Donations are not necessary to receive the Newsletter, but if you wish to make a donation, please make your check payable to: HB NEIGHBORHOOD WATCH PROGRAM

### NEW YEAR’S CHECKLIST 2018

We hope you had a joyous Holiday Season and that the New Year brings you all good cheer!

We’d like to give you a few proactive safety tips to help in our fight against crime. Remember, YOU are the Neighborhood Watch Program and your participation is greatly needed. By taking an active role in reporting suspicious activities and/or crimes, our community will be a safer place. Below are tips and tools that will assist you and harden the target for criminals. Please share these tips with your family and friends.

- Be sure to check all your credit statements to see that they are accurate. Report any errors immediately. Equifax: 1-800-525-6285, Experian: 1-888-397-3742, TransUnion: 1-800-680-7289
- This is the time to order a credit report. Be sure to order a report from one of the above agencies quarterly, then your annual credit report.
- Write down the serial numbers of all your new and old electronics, bicycles, etc. Also, walk through your home with a video camera to log all your items in case of a burglary. You should also take pictures of all your fine jewelry (place your items on a dark background with a yard stick next to them). Be sure to make 2 copies and keep one at your home and another at a safe place away from home (work, friends’ home, safe deposit box, etc.).
- Remember to always lock all doors and windows when leaving your home, even if you are just going to visit a neighbor.
- When disposing of large boxes, be sure to break them down and place them inside the trash receptacle. Don’t advertise to everyone the new items you have in your home.

(continued on page 6)
Your Attention Please!!!

Neighborhood Watch Newsletter Survey

The Huntington Beach Police Department and the HB Neighborhood Watch Program are always looking for ways to improve on the information provided to those who work and live in this great city. Technology and the way the police department tracks criminal activity is one of those areas which is continually evolving. The Police Department has a desire to move the Neighborhood Watch Newsletter to a more interactive, electronic online format. This will improve on the accuracy of the information provided to the citizens and provide direct access to crime trends in your neighborhood.

For the past 45 years, the newsletter has served the community as the main source of information by either US Mail or local pick up locations. The total cost of this newsletter is approximately $31,000 annually between printing and postage. We currently print 9,000 copies and mail approximately 7,500 newsletters to households throughout HB. Your HB Neighborhood Watch Program has always paid the postage and other expenses with the money collected from your most generous donations. If you would like to receive your Newsletter on-line, send a request via e-mail to nberndt@hbpd.org. Be sure to include the following: If you presently receive the newsletter by mail, your name and address as it appears on your mailing label (so you can be deleted from that list). If this is a new subscription, include the e-mail address where you want it sent and write “New Subscription”.

We are asking our readers to complete the survey below so we can better evaluate how the newsletter will be distributed in the future. You may call in your survey to (714) 536-5933; if you reach a recording, please leave your answers via voicemail.

Please circle the following questions and return to:
HB Neighborhood Watch Board
P O Box 5667
Huntington Beach, CA 92615

1) I would like to continue receiving the Neighborhood Watch Newsletter via U.S. mail. Yes No
2) I would like to be able to continue picking up the newsletter at my local market. Yes No

CALLS FROM 877-382-4357? HANG UP.

Andrew Johnson, Consumer Education Specialist, FTC

Scammers are using fake caller ID information to trick you into thinking they're someone who can be trusted. The practice is called caller ID spoofing, and scammers can fake anyone’s phone number.

Today, the FTC has received reports that scammers are spoofing the FTC’s Consumer Response Center’s phone number (877-382-4357). But don’t let that stop you from reporting scammers — it’s still safe to call the Consumer Response Center, and it’s also safe to report scammers online.

If you’ve submitted a report or request to the FTC’s Consumer Response Center, the FTC might call you for additional information. We will not call you from 877-382-4357. The FTC will never ask for money or for sensitive information such as your Social Security Number, date of birth, or bank account information.

Scammers are constantly picking new phone numbers to spoof. Here are a few tips for staying ahead of scammers and their unexpected calls:

- If you get a strange call from a government phone number, hang up. If you want to check it out, visit the official (.gov) website for contact information.
- Don’t give out — or confirm — your personal or financial information to someone who calls.
- Don’t wire money or send money using a reloadable card. In fact, never pay someone who calls out of the blue, even if the name or number on the caller ID looks legit.
- Feeling pressured to act immediately? Hang up. That’s a sure sign of a scam.

If you’ve gotten a call from a scammer, with or without fake caller ID information, report it to the FTC at 1-877-FTC-HELP (4357) or http://www.ftc.gov/complaint.
Fraud alert: Freeze or Lock after Equifax? Frequently Asked Questions
Lisa Weintraub Schifferle, Attorney, FTC, Division of Consumer & Business Education

After the Equifax breach, some people are considering placing a fraud alert on their credit file. Others will freeze or lock their credit files to help prevent identity thieves from opening new accounts in their name. Here are some Frequently Asked Questions to help you decide what’s best for you.

Fraud Alert
- **What is it?** A [fraud alert](#) requires companies to verify your identity before extending new credit. Usually that means calling you to check if you’re really trying to open a new account.
- **How does it work?** The process is easy – you contact any one of the three nationwide credit reporting agencies (Equifax, Experian, TransUnion) and that one must notify the other two.
- **How long does it last?** An initial fraud alert lasts 90 days. After 90 days, you can renew your alert for an additional 90 days, as many times as you want. Military who deploy can get an [active duty alert](#) that lasts one year, renewable for the period of deployment. Identity theft victims (whose information has been misused, not just exposed in a breach) are entitled to an [extended fraud alert](#), which lasts seven years.
- **How much does it cost?** Fraud alerts are free.
- **Is this for me?** With a fraud alert, you keep access to your credit and federal law protects you. But an initial fraud alert lasts only 90 days and then you’ll need to remind yourself to renew it every 90 days.

Credit Freeze
- **What is it?** A credit freeze limits access to your credit file so no one, including you, can open new accounts until the freeze is lifted.
- **How does it work?** To be fully protected, you must place a freeze with each of the three credit reporting agencies. Freezes can be placed by phone or online. You’ll get a PIN to use each time you freeze or unfreeze, which may take one to three business days.
- **How long does it last?** A freeze lasts until you temporarily lift or permanently remove it (except in a few states where freezes expire after seven years).
- **How much does it cost?** Fees are set by state law. Generally, it costs $5 to $10 each time you freeze or unfreeze your account with each credit reporting agency. You can get a free freeze if you are an identity theft victim, or in some states, if you’re over age 62. Equifax is offering [free freezes](#) until January 31, 2018.
- **Is this for me?** Freezes are generally best for people who aren’t planning to take out new credit. Often, that includes older adults, people under guardianship, and children. People who want to avoid monthly fees also may prefer freezes over locks.

Credit Lock
- **What is it?** Like a freeze, a credit lock limits access to your credit file so no one, including you, can open new accounts until you unlock your credit file.
- **How does it work?** Like a freeze, to be fully protected, you must place locks with all three credit reporting agencies. With locks, however, there’s no PIN and usually no wait to lock or unlock your credit file (although the current Equifax lock can take 24 to 48 hours). You can lock and unlock on a computer or mobile device through an app – but not with a phone call.
- **How long does it last?** Locks last only as long as you have an ongoing lock agreement with each of the credit reporting agencies. In some cases, that means paying monthly fees to maintain your lock service.
- **How much does it cost?** Credit reporting agencies can set and change lock fees at any time. As of today, Equifax offers free locks as part of its free post-breach credit monitoring. Experian and TransUnion may charge monthly fees, often about $20.
- **Is this for me?** Depending on your particular lock agreement, your fees and protections may change over time. So, if you sign up for a lock, it’s hard to be sure what your legal protections will be if something goes wrong later. Also, monthly lock fees can quickly exceed the cost of freezes, especially if the lock fees increase over time.

For more information about ways to protect your identity, call the Federal Trade Commission at 1-877-FTC-HELP (382-4357), TTY 1-866-653-4261, or online at [http://www.ftc.gov/complaint](http://www.ftc.gov/complaint).
ATTENTION: NEW CRIME STATISTICS FORMAT

Crime period: November 1, 2017 to November 30, 2017

In order to have HB Neighborhood Watch Newsletter crime statistics match what is reported by the HBPD crime analysis team to the Department of Justice, our crime statistic page formats have changed. Although it may look a little different, residential burglaries will still be reported as well as a small narrative of how the crimes may have occurred. Vehicle burglaries are in another chart broken down by Beat and RD, and Grand Theft Auto can be found in the large chart broken down by Beat. You will also find other crime statistics on the chart, such as rape, robbery, thefts from vehicles, etc. To locate your Beat and RD, please check the map on page 7.

We would like you to provide us with your feedback. If you send back the survey on page 2, please include a few comments about pages 4 and 5 of the newsletter. You may also call the Community Relations Specialist at 714-536-5933; if you get a recording, please leave a message.

**New Years Checklist 2018**

(continued from page 1)

- Keep valuable items like gifts, computers, I-phones, etc. out of easy sight, away from windows or doors. If you're going out of town, keep the shades drawn.
- Check fire-walls and anti-virus protectors on your computers and be sure they are updated regularly. Change and use strong passwords.
- Signup for free scam alerts from the FTC at [ftc.gov/scams](http://ftc.gov/scams). Get the latest tips and advice directly to your inbox.
- When using a contractor for home improvement/repairs, be sure they are licensed (and they're licensed under their name only). Contractors State License Board: 1-800-321-CSLB (2752) or [www.cslb.ca.gov](http://www.cslb.ca.gov).
- Be sure your home address is easily visible from the street in case of an emergency.
- Now that holiday lights have been removed, check all outside lighting and motion detectors to be sure they are operating properly.

- Use timers for inside lighting and put a radio on so your home will always have that ‘lived in look’ whether you’re home or away.
- Just because the holidays are over does not mean you can let your guard down. Make arrangements to have packages delivered to your work address or a trusted friend who you know is going to be home.
- Always lock your vehicle, even when it is parked inside your garage.
- Do not leave items visible inside your vehicle even when parked in your driveway.
- If you are planning to go out of town, remember we provide vacation house check services free of charge. This service is provided by our RSVP’s. (This service is not provided for house fumigations.)
- If you haven’t recently held a Neighborhood Watch Meeting, this is the time to seriously think about planning a Neighborhood Watch Block Meeting. There is no charge for this service. We will discuss security tips, the importance of knowing your neighbors, what is suspicious, and the crimes that are occurring in your neighborhood. You and your neighbors are the best judge of what is suspicious in your neighborhood. The Neighborhood Watch Program is not meant to change your life style but to empower you with tools to help you be more aware and help keep you and your family a little safer.

**MAKE THIS YOUR YEAR OF ACTION – THANKS FOR HELPING US FIGHT CRIME!**

To schedule a Neighborhood Watch Block meeting, please contact the HBPD Community Relations Specialist at 714-536-5933, or contact a HB Neighborhood Watch Board Member. For more information about or to schedule a Vacation House Check please call 714-374-1507 (remember we would like at least 2 weeks’ notice).

**HAPPY NEW YEAR FROM YOUR HB NEIGHBORHOOD WATCH BOARD!**
