# Huntington Beach Police Department

On 8/29/07 at 1410 hours, Officers of the Huntington Beach Police Department responded to a call of a traffic collision in the area of Indianapolis and Everglades.

Upon their arrival to the scene officers found a male juvenile to be deceased and a male adult with serious injuries.

From the preliminary investigation, it appears that the male juvenile was riding a bicycle westbound on Indianapolis when he was struck by a male adult driving a red Ford pickup truck eastbound on Indianapolis at Everglades. The pickup truck subsequently struck a tree and a wall at the intersection and came to rest in the backyard of a residence.

The male juvenile bicyclist was pronounced dead at the scene. The male adult driver was transported to Western Medical Center in Santa Ana, where he is being treated for his injuries. The collision does not initially appear to be alcohol related, no other charges have been filed at this time.

The accident is still under investigation. Anyone with information about the collision is asked to contact the Traffic Division of the Huntington Beach Police Department at (714) 536-5666.

Press Release prepared by Sgt. Chris Filicicchia
