Secondary Office

Coastline Community College
1515 Monrovia Ave
Newport Beach, CA 92663

949-478-1914

www.pssoc.org

b.jacksonpardo@pssoc.org

Why is PS-S moving?

PS-S was given a tremendous opportunity to expand services to all of Orange County through a grant, but needed more physical space. At about the same time, Hoag Hospital was developing a collaborative non-profit space, and PS-S was approved to move to this amazing dedicated nonprofit community space.

Will PS-S still be connected to Huntington Beach?

PS-S will still be serving Huntington Beach low income student parents and looks forward to continued collaboration with the City of HB!

Who else will PS-S serve with the expansion?

The PS-S expansion is focusing on low income single parents that are in school and live in the following communities or school districts:

Huntington Beach
Westminster
Garden Grove

Costa Mesa
Newport Beach
Cypress

Fountain Valley
Santa Ana
Coast Community College District
