City Celebrates Modified 4th of July Parade

In lieu of our traditional 4th of July Parade on Main Street, the City hosted a modified OneHB Neighborhood Parade to celebrate Independence Day while safely adhering to COVID-19 restrictions. The parade included two caravans of vehicles traveling on separate routes throughout the City, which passed within a mile of every single home in Huntington Beach. The expanded routes allowed parade goers to attend with room for social distancing. We thank all of you that came out to celebrate and support our City.

New Shows Airing on Surf City TV Channel 3!

Need something uplifting during these times? Check out “HB Originals: Songsters” — playing now on Channel 3 at 11:30am and 4:30pm daily. Produced by Matt Liffreing, the first episode features three Huntington Beach musicians: Danny Maika, Olivia Ooms and Justin Rotowsky of the band CaliConscious. Don’t have Channel 3? You can watch from the City’s website at: https://www.huntingtonbeachca.gov/residents/videos/hbtv3/hb-originals-songsters-episode-1.cfm.

“Hidden Huntington Beach” with local author and host Chris Epting debuted last month. The first three episodes feature the Westfair Shopping Center at Warner and Springdale, the hidden silos at Yorktown/Main Street, and the bird artwork at City Hall. All episodes are on the City’s YouTube page: https://www.youtube.com/user/surfcitypio and air on Channel 3 at noon and 6pm daily.

Here in Surf City, our backyard citrus trees are a California staple, but our iconic citrus trees are threatened by the deadly citrus tree disease, Huanglongbing (HLB). While gardening and tending to citrus trees this summer, learn about how you can safely harvest your citrus fruit and prevent the spread of HLB from California Citrus Threat. SBA Paycheck Protection Program through August 8

The US Small Business Administration continues to offer the Paycheck Protection Program (thru 8/8) and other forms of financial relief to qualified small businesses impacted by COVID-19. To determine if you qualify, visit the SBA’s website for more info: https://www.sba.gov/funding-programs/loans/coronavirus-relief-options

Californians must wear face coverings when in public spaces, especially indoors and other areas where physical distancing is not possible. Face coverings help reduce the spread of COVID-19. The California Department of Public Health (CDPH) has released a Guidance for the use of face covering. The guidance reminds Californians that the best defense against COVID-19 continues to be:

- Maintain six feet of physical distance from others
- Wash hands frequently
- Avoid touching eyes, nose and mouth with unwashed hands
- Avoid being around people with COVID-19 symptoms

Over the past few weeks, our Huntington Beach Police Department has received an overwhelming amount of support from our community! Both local businesses and community residents have filled our department with food, snacks, coffee, thank you letters, and all around positive messages. Our department would like to thank the businesses, community groups and individual residents who have brought a smile to our officers and staff during these challenging times. Your kind gestures have truly made these past few weeks easier to overcome. We truly appreciate all of our Huntington Beach neighbors!

**Street Sweeping Ticketing Resumes**

Street sweeping and parking control (ticketing) resumed this week. Allied Universal is handling the City’s street sweeping citations. If you have any questions or concerns about a citation you may have received, please visit [picket.com](http://picket.com).
TAKE HEART: HBFD Cardiac Care Recognized by American Heart Association

The Huntington Beach Fire Department received the American Heart Association (AHA) 2020 Mission: Lifeline EMS Gold Plus award. **We are the very first agency in Orange County to receive it!** Through our dedicated and collaborative efforts to provide timely and high-quality emergency medical services to the community, we have met or exceeded the high standards of the AHA Mission: Lifeline EMS program. The additional PLUS award level was given in recognition of our meeting cardiac care standards for 12-lead ECG acquisition in the first 10 minutes after patient contact.

HBFD believes that every minute of your life is precious. If you have a heart attack, every second counts in your emergency medical care. We hope you never have a heart attack. However, if you do, we are always ready. We have trained for excellence and have the right tools. If you dial 911 we will be there to give you award-winning care. We take excellence in emergency medical services very seriously and we are proud to be recognized by the American Heart Association for the second year in a row.

Surf City Open Air Dining Program

Due to the Governor’s Order prohibiting indoor dining, the City is offering an expedited, no-fee permit to allow food service businesses to temporarily expand outdoors.

The Surf City Open Air Dining Program allows food service businesses to:

- Expand their operations outdoors on adjacent property including sidewalks, parking lots, and plazas.
- Offer dining and curbside pickup
- Post temporary banners to advertise their businesses.

To learn more about the Surf City Open Air Dining Program, please visit: https://huntingtonbeachca.gov/business/outdoor-dining-program.cfm

Permits are free of charge, and typical turnaround time is 1 week.
