Blessing of the Waves, 9/12
--------
Rockin’ Fig’s Paddleout
--------
Downtown Businesses Celebrate HBPD
Blessing of the Waves is an event for everyone of all ages and faiths. Please join us as we bless the waves and focus on the importance of the ocean and the overall environment worldwide and particularly in our OneHB community.

Join Mayor Kim Carr and our community partners as we celebrate our ocean with music, song and dance, followed by the 13th Annual Paddleout with hundreds of surfers taking to the water.

Sunday, September 12, 2021
8:30am
Pier Plaza

The Blessing of the Waves was originally conceived as a Catholic-led event through the Diocese of Orange prior to the Greater Huntington Beach Interfaith Council assuming responsibility in 2013!
LABOR DAY HOLIDAY TRASH COLLECTION SCHEDULE

Due to the Labor Day holiday, trash and recycling services will not be available on Monday, September 6, which will delay service throughout the rest of the week by one day. The regular collection schedule resumes on Monday, September 13.

For assistance with all trash and recycling issues, please call the City’s Trash and Recycling office at:

714-375-5010 or visit our trash and recycling webpage
VETO SB 9 AND SB 10

The City of Huntington Beach opposes state housing bills SB 9 (Atkins) and SB 10 (Wiener), which promote high density development without local government or public input.

If SB 9 were approved, it would require the City to ministerially approve two units within each single-family lot without a hearing or environmental review. While we recognize that housing affordability and stock are critical issues facing California cities, we are already tackling these concerns with smart planning and zoning based on Huntington Beach's local needs and culture. SB 9 also fails to recognize the necessary public engagement process associated with developing housing in Huntington Beach.

SB 10 would permit a local government to pass an ordinance to rezone any parcel up to 10 units of residential density per parcel, without public engagement.

Both high-density housing bills do not guarantee that affordable housing units will be built to address the affordable housing shortage and would also strip control of zoning and development decisions away from local communities.

The bills have passed through the state Senate and Assembly and currently sit on the Governor's desk for approval. The City has respectfully requested the Governor to veto them and encourage our residents to do the same.
Bob "The Greek" Bolen has been shaping boards since the '60s in downtown HB. His real estate office as morphed into a surf museum with boards and other surf memorabilia. Host Chris Epting takes us inside The Greek's downtown digs.

In December 2019, the Navy embarked on a five-year project to build a replacement ammunition pier and to upgrade safety and security inside Anaheim Bay. (The image shows the current configuration that separates civilian boats from Navy operations.) The old route is now off limits and has become part of the Naval Weapon’s Station restricted area. Due to this reconfiguration, changes have been made to the proper route for boaters returning to Huntington Harbour, but Marine Charts, both electronic and paper, still show the old route. Here is some guidance on the new route - When entering Anaheim Bay, keep to the right and follow the south jetty in. Outdated maps stating “red right returning” do not apply if you follow the Navy buoys. At night or in a fogbank, do not follow your incorrect GPS Plotter through Anaheim Bay. When entering the harbour make sure that the red “A” buoy remains on your right (starboard) side and the green “5C” buoy remains on your left (port) side. Follow the path indicated by the white arrow through the new harbour channel and away from the restricted naval zone. Mayor Kim Carr recently presented the Making a Difference Award to Mark Mayes for his unaltering drive to support our veterans! Since 2011, Mark has connected with The Huntington Club to host charity events and raise nearly $1.9 million to donate to phenomenal veteran and armed forces organizations across the country!

Mark, we are so grateful for all your contributions to our veterans! Keep up the great work and congratulations!
Our Surf City community came out in force on Saturday, August 28, 2021 to remember the life of Rick 'Rockin' Fig' Fignetti with a Paddleout and Celebration of Life. Hundreds of community members, friends, family and surfers honored his passion for surfing and said their goodbyes to one of our own local legends. For video visit: https://youtu.be/bMVUyRHHrhY

LOCAL COASTAL UPDATE – PUBLIC SURVEY AVAILABLE!

The California Coastal Act requires local governments within the Coastal Zone to have a certified Local Coastal Program (LCP). LCPs contain rules and regulations for future development and protection of coastal resources, by specifying the appropriate location, type, and scale of new or changed uses. The City of Huntington Beach is in the process of preparing a comprehensive update of the 2001 LCP to be consistent with updated sea level rise vulnerability and policy recommendations from the California Coastal Commission. The effort will include an updated Sea Level Rise Vulnerability Assessment, Coastal Resiliency Plan, Coastal Element, and Flood Ordinance.

Public participation in the planning process is extremely important and vital to the success of the City of Huntington Beach LCP. A survey was prepared to help the City gauge the public’s local knowledge and concerns related to the City’s coastal zone. The information provided will help City staff identify interests, opportunities, values, and concerns while preparing the LCP update. The brief survey can be accessed at directly at https://www.surveymonkey.com/r/CCZ7F7S and is anonymous. The final results of the survey will influence policy decisions and LCP update content.

For complete information about the progress of the Local Coastal Program Update, please visit here.
THE MAGIC OF COMPOSTING 2021

Food scraps and yard waste together currently make up more than 30 percent of what we throw away, and could be composted instead. Making compost keeps these materials out of landfills where they take up space and release methane, a potent greenhouse gas.

Learn how easily you can transform your kitchen scraps and backyard cuttings into rich compost for your plants and gardens! In addition to being good for the environment, composting is an awesome science experiment that can be educational and fun for the whole family.

Join us for an informative seminar on Saturday, September 18 or Saturday, October 23 at 9:30 a.m. – check in starts at 9 a.m.

Cost is $10 per person and space is limited to first 40 registrants. Register and pay via PayPal. Click Sign Up Now for more details.

HBCOA
Huntington Beach COUNCIL ON AGING
The Huntington Beach Central Library will host the Orange County Registrar of Voters for the upcoming 2021 California Gubernatorial Recall Election. Voting will take place downstairs at the library in rooms C and D starting on Saturday September 4 until Tuesday, September 14. There will also be a drive-thru ballot drop-off option at this location. The Central Library is located at 7111 Talbert Avenue, between Goldenwest and Gothard Streets in Huntington Beach. Hours will be as follows: September 4 -10, 8am-5pm, September 11 -13, 8am-8pm, and election day, Tuesday, September 14 from 7am-8pm.

The Literacy Volunteers of the Huntington Beach Public Library are pleased to announce their next online Author Reading and Q&A Event featuring best-selling writer and columnist Susan Straight. On Saturday, September 18, at 5 p.m., the California native will read an excerpt from her book "In the Country of Women," as well as answer questions from the audience. Copies of her book will be available prior to and post-event at Lido Village Books in Newport Beach. Questions for the author can also be sent any time before September 18 to literacy@surfcity-hb.org. This Zoom event is free to attend; donations to Literacy Volunteers are greatly appreciated. To register, follow this link. The Zoom link will be provided upon registration.
LITERACY DEPARTMENT PROGRAMS

The Literacy Department will offer a new series of free United States Citizenship Classes beginning on Wednesday, September 15, 2021 from 10 a.m. to noon. Class sessions will repeat every Wednesday at 10 a.m. for the next 10 weeks, and conclude on November 17. This is the perfect opportunity to prepare for the Naturalization Exam – it is open to the public, and anyone who wants help becoming a U.S. Citizen is welcome.

For those who have an appointment for their Naturalization Exam coming up soon, this would also be a useful refresher course. Participants will discuss and study all aspects of the test, and all course materials will be provided. There are a limited number of seats available.

Those interested can complete the required registration by following this link: https://hbpl.libcal.com/event/8239619. Classes will take place in-person in the Balboa Room at the Central Library. Please call 714-375-5102 with any questions.

OAK VIEW BRANCH LIBRARY NEWS

Just in time for the new 2021-2022 school year, the Oak View Branch Library will resume their popular online Homework Club effective Monday, September 20. Free virtual homework help and reading support is available Mondays, Tuesdays and Thursdays from 2 p.m. to 5 p.m., and on Wednesdays from 1 p.m. to 4:30 p.m., via Zoom. This is a first-come, first served program.

Students must register to attend, but daily attendance is not required. Registration begins on September 6. To get an application, please e-mail the Homework Club Coordinator, or pick up a physical application during Express Service hours at the Oak View branch. For more information on the program, please call 714 375-5068.
Join the Friends of the Huntington Beach Public Library on Thursday, September 9, at 4 p.m. for a live Zoom talk with Judge Robert Fegers, a highly accredited judge who served in state and federal courts for 25 years. He will discuss his latest work, "Grant Justice: The Untold Story of the Finest Attorney of a Generation."

This riveting story of the handsome and brilliant “real-life Perry Mason” Grant Cooper spans from the roots of Cooper’s family to the dramatic culmination of his career as he fought to save Robert Kennedy’s assassin from the gas chamber.

Click here to register for this online event. For more information on future author events, visit the Friends’ new, revised website at www.fotlhb.com.
YOUTH SERVICES – YOUNG ADULT RESOURCES

Thanks to the hard work of the Library’s 2021 Summer Intern, Yusra Ahmed, the Teen Space at the Huntington Beach Public Library has posted a new collection of Diverse YA Book Lists to their webpage! Yusra created each of the six different recommended reading lists just for teens, and made sure that they reflect the multiple elements of diversity found within the books of the library’s Young Adult collection. Her internship with HBPL was made possible by the Public Library Association’s Inclusive Internship Initiative, in an effort to increase diversity and inclusivity in libraries across the United States. Teens who intern through the Inclusive Internship Initiative are able to gain valuable librarianship experience as they work on a library-related learning project that’s based on their individual passions and interests.

TIPS FOR CHILDREN’S ONLINE SAFETY

Whether it is online or in person, students are getting ready to return to school. Inevitably, this will increase the amount of time they are spending online. Here are some tips on how you can keep your children safe while they are online:

1. Install security software on your children’s devices.
2. Remind your kids to never provide personal or credit card information without parent/guardian approval.
3. Set online etiquette guidelines for your children.
5. Set limits on your child’s online time.
6. Monitor your children’s accounts for online predators.
7. Talk to your children about the long-term consequences their online actions may have.
8. Stress the importance of never leaving smartphones or electronic devices unattended.

FOUR POLICE ACADEMY GRADUATES JOIN HBPD

The Huntington Beach Police Department welcomed and congratulated four recent Police Academy Graduates on August 19:

- Joseph Kasmarski
- Brennen Laraba
- Dylan Morris
- Aldo Serrano
DOWNTOWN BUSINESSES CELEBRATE HBPD

On Tuesday, August 31, the Huntington Beach Downtown Business Improvement District hosted a special Police Department Appreciation Surf City Nights event. As part of the event, the Police Department was awarded a certificate of appreciation from the downtown businesses. In addition, members of the community donated to the Huntington Beach Police Community Foundation, which funds the Police Department's community outreach and education efforts.

Representatives from various Police Department Divisions took part in the event, including SWAT, Motors, K-9, Air Support, Beach Detail and Downtown Patrol. “I Support HBPD” buttons were distributed for attendees to show their support and kids were given HBPD bookmarks for Officers to sign.

Thank you to everyone who came by - we feel fortunate to have so much community love and support!
LABOR DAY SAFETY TIPS

Happy Labor Day Weekend! Huntington Beach Fire Department would like to remind everyone of a few grilling safety tips:

- Propane and charcoal BBQ grills should only be used outdoors.
- The grill should be placed well away from the home, deck railings and out from under eaves and overhanging branches.
- Keep children and pets away from the grill area.
- Keep your grill clean by removing grease or fat buildup from the grills and in trays below the grill.
- Never leave your grill unattended.

Fire departments respond to many home fires involving grills, hibachis or barbecues each year. Let’s do our best in staying fire safe this Labor Day weekend and throughout the year. Thank you.

For more information, please visit:

LABOR DAY SAFETY TIPS

Grilling Fire SAFETY

Stay fire safe in HB! Follow these grilling safety tips.

1. Only use your grill outside. Keep it at least 10 feet from siding, deck rails and eaves.
2. Keep a 3-foot safe zone around your grill. This will keep kids and pets safe.
3. Open your gas grill before lighting.
4. Keep an eye on your grill, fire pit or patio torches. Don’t walk away from them when they are lit.
5. Clean your grill after each use. This will remove grease that can start a fire.
6. Place the coals from your grill in a metal can with a lid once they have cooled.

Important: For residents of multi-family residential buildings, follow your apartment complex or HOA rules. In many cases, BBQ on balconies are restricted or prohibited due to fire risk and insurance requirements.

STAY FIRE SAFE THIS SUMMER!
