CITY OF HUNTINGTON
BEACH

June 26, 2018

114th Annual 4th of July Celebration!

The 114th Annual Huntington Beach 4th of July Celebration will be filled with many fun, family-oriented events. Activities on the 4th start at 6 a.m. with the [Surf City 5K Run and Fitness Expo](#) at [Worthy Park](#) and the [Huntington Beach Kiwanis Pancake Breakfast](#) in [Lake Park](#).

Beginning at 10 a.m., the Parade will wind its way along the historic Main Street parade route. Marching bands, floats, military troops, community groups, dignitaries, clowns, equestrians, and celebrities make up more than 250 parade entries that will entertain parade-goers until just past noon. After the parade, everyone is invited to enjoy the Pier Festival with vendors and entertainment at [Pier Plaza](#). At 9 p.m. a spectacular fireworks show will be launched off the Pier.

TV Viewing

For the fifth year, KABC-Channel 7 will televise the parade LIVE from Main & PCH. HBTv-3 will not televise the parade live this year. However, the parade will be shown on Channel 3 on July 4th at 4 p.m. and be rebroadcast throughout the month of July. To view or download the Channel 3 Program Schedule visit huntingtonbeachca.gov/residents/videos.

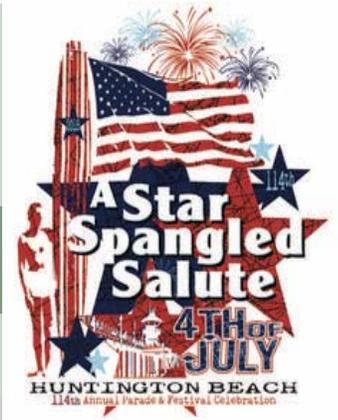

Chalking Rules

Per the City Code, folks can officially begin saving a spot along the parade route at 7 a.m. on Tuesday, July 3. Our Public Works Department will remove chalk that is marked on city streets prior to this time. Please note: No chalking in front of the Huntington Beach Art Center on Main Street as this will be reserved for HBTv-3.

PCH to Remain OPEN after the Parade

PCH will close between Goldenwest to Beach Blvd. from 5 a.m. to 2 p.m. for the parade. The City will NOT close the highway in the evening for the fireworks show.

For more information, visit huntingtonbeachca.gov/fireworks and hb4thofjuly.org.

Firework Safety

Here are some of the rules and guidelines about where you can set off Safe and Sane fireworks. For a full list of what is allowed, and what is not allowed, see the City's [website](#) for more information.

Be safe out there!

POLICE DEPARTMENT

National Night Out

Save the date for our National Night Out (NNO) event at [Target on Adams](#) on Tuesday, August 7, from 4 – 8 pm! Our annual National Night Out event promotes police and community partnerships. We are trying to make all of our neighborhoods safer by enhancing the relationship we have with our community and we need your help! Not only do we hope you bring the entire family out to Target for NNO, we are also looking for vendors who hope to set up booths at the event. This is the 35th anniversary of National Night Out so we hope to have a record number of community members join us.

We will have demonstrations and booths set up to showcase our SWAT team, our Motor Officers, our Mounted Enforcement Unit, our K9 Unit, and many more. If you have an idea or a business that you would like to promote at our event, please contact Officer Bennett at abennett@hbpd.org or by calling 714-375-5009.

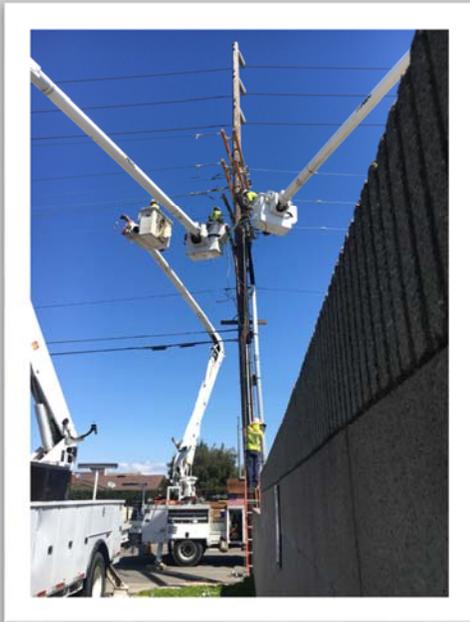

Mark your calendars and we look forward to making this National Night Out one of our most successful to date!

PUBLIC WORKS DEPARTMENT

Edison Gets a Charge Working with HB Public Works

With the ever-increasing demand for electricity and the rebuilding of outdated power plants in the region, the Southern California Edison Company began to upgrade its electrical grid system from 4kv to a 12kv in order to handle increasing loads. This multi-phased undertaking reached the doorsteps of Huntington Beach last June 2017, where numerous poles, miles of overhead wires, underground vaults, and transformers had to be up-graded within the Public Utility Commission deadline. Public Works (PW) Construction realized it would involve multiple Edison subcontractors, temporary power outages, and traffic control issues for both the citizenry and the work crews as notifications dispersed to the affected areas would potentially flood voicemails and e-mails at City Hall. Even more concerning to Public Works was just how this work was going to be accomplished in the Downtown area with minimal impact to the residents and businesses in a high-density environment, compounded with thousands of visitors.

Working with the utility company, PW Construction devised a plan to address these concerns calling for key coordination between Edison, our Citywide Utility Inspector, as well as Permit and Traffic Divisions. The PW Utility Inspector utilized a pre-agreed upon system of color-coded maps depicting the total scope-of-work, firm weekly look-ahead schedules, permit-tracking billing logs, and Edison public outreach notifications. This supported the collaborative approach controlling the sequence-of-work that would commence, starting from the outside downtown perimeter then working inward and terminating along Main Street. Over this six-month period, the PW Utility Inspector performed over 140 inspections while Edison's crews replaced over 110 utility poles. In the end, the benefits derived from utilizing this system were great enough that Edison has adopted it for implementation for other municipal grid upgrades.

Independence Day Trash and Street Sweeping Schedule

Trash Collection

Trash will be collected per regular schedule Monday, July 2 and Tuesday, July 3. There will be no trash collection on Independence Day so trash collection Wednesday through Friday will be delayed one day. Residents on Wednesday’s route should place their trash for collection on Thursday and so on for the rest of the week. Friday’s route is collected on Saturday.

2018 Independence Day Trash Schedule					
Regular Collection Day	Mon 7/2	Tues 7/3	Wed 7/4	Thurs 7/5	Fri 7/6
Holiday Schedule	Unaffected	Unaffected	Thurs	Fri	Sat

Street Sweeping

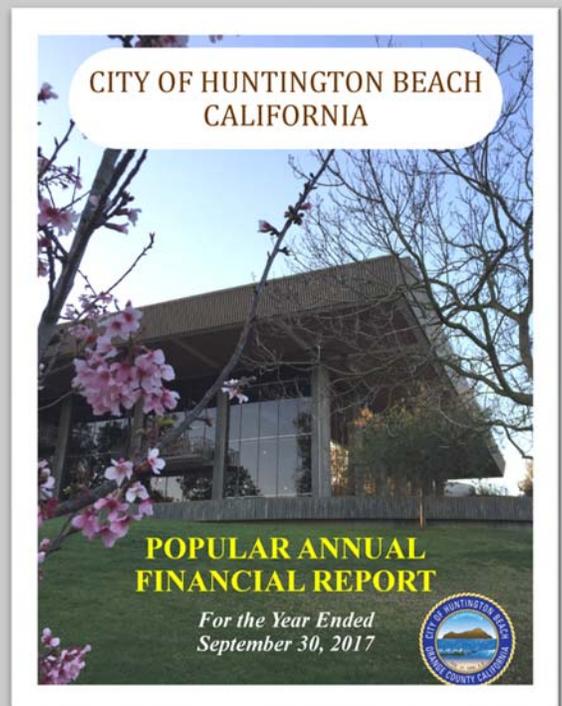

Street sweeping is on regular schedule Monday, July 2 and Tuesday, July 3, 2018. Street Sweeping is cancelled Wednesday, July 4, Thursday, July 5 and Friday, July 6, due to the holiday and trash schedule conflicts. Normal Street Sweeping scheduled will resume on Monday, July 9, 2018. If you have questions about the holiday maintenance schedule, please contact the Public Works Maintenance division at 714-960-8861.

FIRE DEPARTMENT

Sidewalk CPR

The Huntington Beach Fire Department successfully participated in the annual Sidewalk CPR event on Saturday, June 9.

A booth with mannequins was set up on the beach path in front of Lifeguard Headquarters, ready to train visitors in Hands Only cardiopulmonary resuscitation.

The goal of this annual Sidewalk CPR event is to train as many members of the public as possible in Hands Only CPR. The event is coordinated by the Orange County Emergency Medical Services Agency in collaboration with the American Heart Association, California American College of Emergency Physicians, and the EMS Medical Director's Association of California. Every year, through Sidewalk CPR, tens of thousands of Southern California community members are trained, with hope that these lifesaving basics may be the key to someone's survival.

Fire department personnel trained 276 community members in Hands Only CPR. The participation exceeded expectations and was a great opportunity for the public to learn this important skill in a beautiful beach environment.

Most people who experience cardiac arrest at home, work or in a public location die because they don't receive immediate CPR. Hands Only CPR saves lives, and can double or even triple a person's chance of survival. Due to the importance of learning CPR and the success of this event, there are plans to make this a quarterly rather than annual event.

For future announcements about the next Hands Only CPR Event, follow the Huntington Beach Fire Department's Facebook page at www.facebook.com/HBFD1909. For an instructional video that teaches the Hands Only skill, visit https://youtu.be/O_49wMpdews. FireMed members get free CPR classes – visit www.huntingtonbeachca.gov/government/departments/fire/FireMed/CPRtraining.cfm.

FIRE DEPARTMENT**Donation Given to Project Ship (Senior Home Inspection Program)**

California Resources Corporation (CRC) recently provided a generous donation of \$15,000 toward the purchase of 400 combination smoke/carbon monoxide detectors with a ten-year battery life for use by seniors in the city. Huntington Beach has more than thirty thousand seniors residing in the city, which is 16.9% of the city population. Seniors are vulnerable to emergency medical incidents and fires. This donation from CRC will help minimize the risk to our seniors by providing a detector, free of charge, which creates a safer environment.

Fire Department trained volunteers for Project SHIP conduct the home safety inspections. They identify and help eliminate home safety hazards, and install the new detectors. If you are a Huntington Beach resident, aged at least 60 years old, you qualify for this free home safety inspection. For more information about Project SHIP and to submit a home inspection request, visit www.huntingtonbeachca.gov/government/departments/fire/fire_prevention_code_enforcement/ship/ or call (714) 374-1615.

What is Composting?

Composting is a natural process that turns organic material into dark rich substance. This substance, called compost, is a great conditioner for your soil. Composting can reduce green waste and landfill use, allow you to reuse valuable green waste, help you recycle waste into a useful garden asset, and help restore soil health. Everyone can compost and reduce their household waste stream and the burden on landfills.

For more information, please visit the [County of Orange Compost Awareness](#) page.

LIBRARY SERVICES DEPARTMENT

It's all about reading at the Branch Libraries!

Families are encouraged to attend the next installment of the popular **"Family Evening PJ Storytime"** at the Oak View Branch Library, on **Wednesday, June 27, at 6:00 pm**. Storyteller extraordinaire, Miss Tammie, will be leading children and their families in an evening storytime themed "A "Minion" Reasons to Love Books!" There will be music, songs, finger plays, flannel board stories, and crafts! Children (and their parents, too) are invited to wear their pajamas to this fun event. The Oak View Branch Library is located at 17251 Oak Lane in Huntington Beach. For more information, please call 714 375-5068.

Here's a heads-up for the members of the **Banning Branch Library Book Club!** The next meeting will be held on **Thursday, July 19, at 5:30 pm**, and will feature Nevada Barr's "The Rope" – a prequel to the popular award-winning series featuring National Park ranger Anna Pigeon. This prequel is the story her fans have been clamoring for...this is where it all starts. Barr gathers together the many strings of Anna's past and finally reveals the story that her many fans have been long asking for. Familiarity with the series is not necessary to enjoy the book or join the discussion. Those interested are encouraged to get their copies of the book now and begin unraveling the latest mystery in heroine Anna's life. Meet at 5:30 for refreshments and join in the discussion at 5:45.

The Banning Branch Library is located at 9281 Banning Avenue in Huntington Beach. For more information, please call 714 375-5005.
