CITY OF HUNTINGTON
BEACH

May 1, 2019

Once a decade, America comes together to count every resident in the United States, creating national awareness of the importance of the census and its valuable statistics. The decennial census was first taken in 1790, as mandated by the Constitution. It counts our population and households, providing the basis for reapportioning congressional seats, redistricting, and distributing more than \$675 billion in federal funds annually to support states, counties and communities' vital programs — impacting housing, education, transportation, employment, health care and public policy.

The next census is coming in 2020. Counting an increasingly diverse and growing population is a massive undertaking. It requires years of planning and the support of thousands of people.

Ultimately, the success of the census depends on everyone's participation. The Census Bureau depends on cross-sector collaborations with organizations and individuals to get people to participate. Learn more about the census at:

<https://www.2020census.gov/en/jobs>

The City is also putting together a Count Committee. If you would like to be involved with reaching out to folks in Huntington Beach, please contact the City's Public Information Officer, Julie Toledo, at julie.toledo@surfcity-hb.org.

LEAD Applications Due May 3

We are so excited to announce that we are accepting applications for our 4th Annual LEAD HB (Leadership Education and Development) program. This year's academy will be held from Monday, June 24 through Saturday, June 29 (Saturday is just a few hours for our graduation ceremony).

This is a FREE, week-long leadership class for teens, aged 14-17, who live or attend school in Huntington Beach. We are looking for

high-achieving teens interested in making a difference in our community. We encourage incoming sophomores, juniors, and seniors to apply so if your student falls into that category, we hope they will consider sending in an application today.

This is not a class for students to learn how to become police officers, although there is an opportunity to learn about some law enforcement topics. They do, however, get to learn about community involvement through beach cleanup, volunteering at the OC Food Bank, listening to lectures from experts in the field of leadership, as well as ways to handle peer pressure.

We have been visiting local schools to share our enthusiasm for this amazing program and we hope you'll check out our link below. We could go on and on about what a fantastic program this is, but the real testament is the success of our former students and these smiling faces. Hurry and apply today, as applications are due on May 3!

FIRE DEPARTMENT

DISASTER PREPAREDNESS DONATION

On April 25, 2019, the City received a grant from the Huntington Beach Rotary Club. Acting Community Services Director Chris Slama and Emergency Services Coordinator Brevyn Mettler worked with the Rotary Club to find the best use for the City's emergency preparedness. The team made the decision to purchase disaster shelter supplies (such as cots, bedding, and hygiene kits) for situations that require sheltering displaced residents during an emergency. Additionally, the supplies will be used for hands-on shelter management training. The project goal is to place disaster shelter supplies at key facilities throughout the City.

This is a good reminder that Huntington Beach residents should prepare before a disaster happens. We highly recommend signing up for www.alertoc.org to receive emergency notifications from public safety officials. For more information on what you can do to prepare, visit www.huntingtonbeachca.gov/PrepareHB.

LIBRARY SERVICES DEPARTMENT

Oak View Branch Library

All children and their families are invited to a special **Cinco de Mayo Fiesta** event at the Oak View Elementary School, on **Wednesday, May 1, from 1 to 4 p.m.** The **Oak View Library** will have a booth there with the popular “Wheel of Fortune” game! Everyone who participates can try their knowledge of library trivia and win a small prize if they answer correctly! Also, there will be literature about the various programs the library offers for all those visiting the booth.

Come celebrate Mexico’s 1862 victory at the Battle of Puebla during the Franco-Mexican war by taking part in this interactive gathering of teachers, parents and students! Each grade will have their own booth featuring either a game or food to raise funds for their class. Plus, various non-profit organizations, such as the Oak View Family Resource Center and other local community partners will also be present. There will be dancing, music and lots of fun!

Next up is another **Coloring For Adults** event on **Thursday, May 9, from 12:30 to 1:30 p.m.** Join other adults of all ages and artistic abilities for an hour of stress relief and fun at the Oak View branch library. Coloring sheets and tools will be provided, along with relaxing music and refreshments. Those interested are encouraged to either come solo or bring friends. This is the perfect time to relax, express your artistic self, and mingle with other people who share an interest. The Oak View Branch Library is located at 17251 Oak Lane in Huntington Beach, and can be reached at (714) 375-5068.

Banning Branch Library

Here is a friendly reminder to all **Banning Branch Book Club** members that this month’s meeting is taking place on **Thursday, May 9, from 5:30 to 7 p.m.** Even those who haven’t yet had the chance to read Rudolfo Anaya’s 1972 coming-of-age novel **Bless Me, Ultima** are welcome to attend. This is the perfect opportunity to get the “teaser” version of the most widely read and critically acclaimed Chicano novel of all time!

Set in New Mexico, this fascinating tale explores the unique relationship between curandera (healer) Ultima, and six-year-old Antonio Marez. Tony’s family provides a place for Ultima to live out her “last days,” and she provides him with the support and encouragement he craves during trying times. Members who have already read the book will leave with a deeper understanding, and first time attendees who haven’t will be inspired to do so! Refreshments will be served at 5:30 p.m., with a discussion of the book following at 5:45 p.m. Must be 18 years of age or older for this free adult event.

The Banning Branch Library is located at 9281 Banning Avenue in Huntington Beach, and can be reached by calling (714) 375-5005.

COMMUNITY SERVICES DEPARTMENT

“Dreamcatchers” of Huntington Beach Provides

“Dreamcatchers” is an auxiliary of the Assistance League of Huntington Beach whose efforts help fund many philanthropic programs that provide assistance to children and adults.

Since 2011, this local group of working women have donated more than \$200,000 in gift cards and durable goods to homebound seniors in Huntington Beach. Several Dreamcatchers have also served as board members with the Huntington Beach Council on Aging. Working closely with the Care Managers at the Senior Center in Central Park, the gift cards are a life sustaining necessity for many low-income seniors living on social security and/or small pensions. The gift cards are redeemable at grocery stores, the 99 Cent Store, Target and Wal-Mart, and Access Bus Passes were given away as well.

Twice a year, the Dreamcatchers assemble large gift bags with life enriching nutritional products as well as various sundry items, and cards, stationary and stamps. This spring the Dreamcatchers donated small portable fans for the upcoming hot summer months. This year’s total donations from the Dreamcatchers surpassed \$37,000.

A few responses of appreciation:

- ◆ “Hi, This is Virginia. I am calling to leave a message of thank you for all the help and support you’ve all given me. I really appreciate it!”
- ◆ “Thank you for all the gifts that you give me and all the gift cards. Thank you very much.”
- ◆ “This is Ruby. I wanted to call and thank you for your service. Thank you very much, I appreciate it. Thank you.”
- ◆ “This is Rosemary. Thank you for the gift cards you provide me. They’ve kept body and soul together for a long, long time. Thank you for your services on behalf of the unaccounted people in Orange County. Thank you again.”

Keep up the good work, Dreamcatchers!

On Sunday, April 21, Sunrise Senior Living in Huntington Beach and the Senior Center in Central Park partnered to provide Easter Sunday meals to homebound seniors in Huntington Beach. Many of the 15 volunteers are repeats who find great reward in the experience. The seniors receiving the visit and the meals found it uplifting. Care Managers received calls the following day including one from Deloris, who stated, "I am just calling to tell you how wonderful, what a nice surprise it was for the wonderful meal. It was beautifully prepared. I am still not over it! It was such a nice gesture and there was excellent ham in there. It made me feel real good inside about lots of things. It was just a special happening, I am so thankful. It was all part of a wonderful experience and I just want to thank you for making me feel like something special had happened. It made Easter more special! Thank you all for being you."

Sunrise Senior Living donated the special holiday meals. Jessica Bacca, Director of Sales for Sunrise said the morning ran smooth and was a fantastic experience for all involved.
