HB Lifeguard Tryouts this Weekend, May 22 at 8 a.m.

If you are interested in a challenging and rewarding job this summer, the City of Huntington Beach is planning to hire responsible men and women to provide first line protection for the City’s beaches. Lifeguard Tryouts will be held at 8 a.m. on Sunday, May 22.

The performance exam will be held at Lifeguard Headquarters, 103 Pacific Coast Highway, one block south of the Huntington Beach Municipal Pier. The starting pay is $16.99 per hour (plus 5 percent for EMT certification and 5 percent for passing a bilingual examination). Applicants must be 17 years of age by June 1, 2016.

The performance exam consists of three physical events: a 1,000-yard ocean swim, a 500-yard ocean swim, and a 1,500-yard run-swim-run. All events are conducted in prevailing conditions around and through the Huntington Beach Pier. Applicants must satisfactorily complete all performance exam events to be eligible for further consideration.

The top qualified candidates will be invited to an oral interview on the afternoon of Sunday, May 22. Based on the combined results of the performance exam and the oral interview, the top qualified candidates will be invited into the Lifeguard Academy. The Academy will be held from 8 a.m. to 6 p.m. starting June 19 through June 30, 2016. Candidates will be compensated during the academy at the pay rate of $16.99 per hour.

Applications are available online at www.huntingtonbeachca.gov/jobs. Please call (714) 536-2581 for further information.

Low Impact Development (LID) or Green Infrastructure
Green infrastructure helps stop runoff pollution by capturing rainwater and either storing it for use later or letting it filter back into the ground, replenishing vegetation and groundwater supplies. Examples of green infrastructure include green roofs, street trees (yes, simply trees next to streets) expanded green space, rainwater barrels, rain gardens/sponge gardens and Ocean Friendly Gardens (OFG's) and permeable pavement. These solutions have the added benefits of beautifying neighborhoods, cooling micro-climates created in city environments (think concrete and asphalt), cleansing the air, reducing asthma, lowering heating and cooling energy costs, and boosting local economies. - See more at: http://www.huntingtonbeachca.gov/hbwater/landscape-gardening/sustainable-landscaping.cfm#sthash.RgzOHIw8.dpuf

May is Bike Month
Pledge to ride during Bike Month and win an iPad and other great prizes! Get in gear by commuting to work or school, running short errands or swapping bike trips for car trips.

Cinco de Mayo Celebration at Oak View Elementary
On Wednesday, May 4, Huntington Beach Senior Services volunteers participated in a Cinco De Mayo community celebration at Oakview Elementary school. Three bilingual volunteers hosted a booth with information about services, activities, and programs to reach out to the Oakview community and spread the word about the wonderful opportunities and services available to residents of the City. Many flyers were handed out and everybody enjoyed the music and festivities of the event.

Information about senior service programs are available in both English and Spanish at the Seniors Outreach Center. For more information about services please contact the Outreach Center at (714) 960-2478.

“Magic of Composting” Seminar on Saturday, May 21, at Shipley Nature Center

Shipley Nature Center is the site for a seminar on backyard composting and food composting with worms on **Saturday, May 21, at 9:30 a.m.** Approximately 90 minutes in length, the lecture covers the various techniques for reducing waste and creating rich compost for lawns and gardens. The cost is $10 per person. Seating is limited so register in advance to reserve your spot at [www.shipleynature.org](http://www.shipleynature.org).

Huntington Beach residents who attend will receive a $50 voucher that can be used toward the purchase of a backyard composting unit or complete worm composting kit (1 voucher per household). If you can't make it to our May event, sign up for one of the additional workshops on **June 18 or August 20**.

Shipley Nature Center is located in Huntington Central Park, 17851 Goldenwest St., in Huntington Beach. The “Magic of Composting” is sponsored by the Department of Public Works, Rainbow Environmental Services, and Friends of Shipley Nature. For more information visit the Shipley website at: [www.shipleynature.org](http://www.shipleynature.org).

**Memorial Day Holiday Affects Street Sweeping and Trash Collection**

Due to the observance of Memorial Day on Monday, May 30 trash collection and street sweeping will be on a holiday schedule. Trash will not be collected on Monday, May 30. All residents should place trash for collection on the day after their regular route day. For example, residents on Monday’s route should place their trash for collection on Tuesday, Tuesday’s route on Wednesday, and so on for the entire week. Friday’s route will be collected on Saturday. The regular collection schedule resumes on Monday, June 6.

There will be no street sweeping Monday, May 30 through Friday, June 3. Due to the holiday trash collection schedule, trash carts are at the curb one day later than usual, which conflicts with scheduled sweeping days in many neighborhoods. Residents should place trash carts at the curb per the holiday schedule. Streets that are not swept due to the holiday are not rescheduled. If you have questions about the holiday maintenance schedule, please contact the Public Works Maintenance Division at 714-960-8861.
Virtual Author Talk at the Central Library – Leigh Bardugo
Huntington Beach Central Library is proud to welcome a live streaming visit by New York Times bestselling author Leigh Bardugo, #1 New York Times bestselling author of Six of Crows and the Grisha Trilogy: Shadow and Bone, Seige and Storm, and Ruin and Rising. The event will be Wednesday, June 1, at 6:30 p.m. Leigh Bardugo will join us via live video chat for a conversation about her bestselling YA fantasy series, the Grisha Trilogy. There will also be an opportunity for a Q&A from the audience. Please join us!

Teen Volunteers Wanted!
Do you have a teen at home who needs something to do during the summer? Well, we have the perfect volunteer opportunity for them. The library needs teens to help with our Summer Reading Program “Read for the Win” which runs from June 11 through July 30. They can choose to help with our Kick-Off Carnival, participant registration, prize distribution, Lego Club, Friday Film Festival, and our craft storytimes. They can also volunteer as a shelver or become one of our STAR Readers. Volunteers are needed at the Central library and the branches. Please go to hbpl.org and look for the link to the Teen Volunteer form from either the Teen page or the Kids page. Have fun volunteering at the library this summer!

Summer Reading Program 2016
Join us as we “Read for the Win,” the theme for this year’s summer reading program. Summer Reading is not just for the kids, it is for everybody from 1 to 101! All ages are encouraged to participate.

Children who pre-register at hbpl.beanstack.org from now until June 10, will automatically be entered into our Kindle Fire for Kids drawing! Our summer reading program runs from June 11-July 30 with a variety of prizes and activities including our Friday Film Festival during the month of July, and our new Lego Club. See our Summer Fun Flyer in the Children’s Dept. for the complete calendar of events.

Our Summer Reading Program ends on Saturday, July 30 with a concert in the park featuring Jazzy Ash and the Leaping Lizards! The concert begins at 10:30 a.m. at the Central Park bandstand. We will be raffling-off prizes during the concert too! While the official end of Summer Reading Program is July 30 – keep reading during the month of August and earn virtual raffle tickets for the chance to win more fun prizes including Froggy and his Skateboard! Make the library part of your summer fun!
June's Teen Fandom Night: Marvel vs. DC!

Both Wonder Woman and Iron Man are welcome at this month's teen fandom night. This month we'll be geeking out over DC and Marvel comics. Teens in grades 6-12 are invited to the Tabby Theater from 6:30 to 8 p.m. on Thursday, June 2. We'll make superhero sigils, play games, and vote for our favorite superhero universe. No sign up is necessary!

Fandom Nights are held the first Thursday of every month from 6:30 – 8 p.m. in the Tabby Theater at Central Library. At each event we'll have themed activities, crafts, and discussion. Teens can submit their ideas for this and other teen programming through our web form: http://goo.gl/forms/RdJG40cHsU

Future Fandom Nights will be:
- July 7: Hunger Games Challenge
- August 4: Music Fans Show and Tell

College Application Essays - Q&A with Essay Coach Alison Cotter
June 11 @ 2:30 p.m. for Students and Parents

Let's talk about essays! How do students pick a topic? What do admissions officers want to see? Bring your burning questions for an informal discussion about the application process and the importance of the essay. Also receive Coach Cotter's list of Summer Essay Writing Tips and get a head start!

Alison Cotter has a background in marketing and 10+ years in teaching as a Long Beach City College writing instructor. She helps high school seniors find and write their personal stories—the most difficult part of the application process and the student's only marketing tool. Follow up this Q&A session with a Brainstorming Demonstration with Essay Coach Alison Cotter on July 23 at 11:30 a.m. in the Talbert room. This session is for students only. The best way to pick a topic for your common application essay isn't by writing about it. It's by talking about it!

Join Essay Coach Alison Cotter for a free demonstration of this simple technique. One lucky attendee will be randomly selected to participate in the demonstration and receive one-on-one personalized coaching. This participant will leave ready to write with a great topic. All other participants will leave with new ideas to jump-start their own brainstorming. Pre-register for the July 23 brainstorming session on the hbpl.org calendar of events page.
Important Information from the Orange County Registrar of Voters for Voters Receiving Vote-by-Mail Ballots

No Party Preference voters should be on the lookout for their correct ballot

Voters who have requested a vote-by-mail ballot (or who normally receive one each election) will be receiving their ballots in the next few days. These ballots were prepared for printing on April 23, 2016, which means if a voter changed their party registration or requested a specific party ballot after that date, it may not be reflected on the ballot that they receive.

If the ballot received is not the party that was requested, voters can simply go to ocvote.com/second and request a replacement ballot, which should arrive within 24-48 hours.

Voters who did not declare a party preference when they registered have three options:

1. They can vote a non-partisan ballot (which will not contain candidates for president)
2. They can request a Democratic, American Independent, or Libertarian ballot
3. They can re-register (prior to May 23rd) as a Republican, Green, or Peace and Freedom party member and request a vote-by-mail ballot, which will contain candidates from the party of their choice.

To register to vote (or re-register) voters can visit ocvote.com/registration

To verify current registration voters can visit ocvote.com/verify

To request a second ballot voters can visit ocvote.com/second

PASSPORT NUMBERS ARE UP!

Earlier this year, Congressman Dana Rohrabacher posted a bulletin advising his District to expect an influx of renewals from 2016 through 2018 in response to the expiration of approximately 45 million passports that were issued in 2007 to comply with Western Hemisphere Travel Initiative (WHTI) guidelines implemented in January 2008. Passport Services anticipates at least 17.4 million applicants in FY 2016 and 20.9 million in FY 2017.

Our monthly numbers indicate that Congressman Rohrabacher was right! In February of this year, we had 559; in March, we had 711; and in April, we had 714. In the years prior, the City's Passport Acceptance Agency had not yet reached 700. This is a first for us and, we are assuming, only the beginning.

Thank you for using the City of Huntington Beach's passport services. It is our pleasure to serve you and to make the process as easy as possible.
Memorial Day Remembered
By Jerry Person, City Historian

Their hair will never turn to silver, their faces will never show lines of age and their hearts beat no longer. They were the men and women veterans who have lost their lives in battlefields, both here in America and in faraway places. On Memorial Day, Monday, May 30, America remembers those veterans.

In our town’s early history, residents would remember lost loved ones by attending services at the Methodist Campground in the downtown. Long-winded speeches about past wars were usually given by former veterans of the Civil War who were members of the Grand Army of the Republic and those who fought in the Spanish-American War.

Later, our city remembered its veterans with grand parades along Main Street to the pier, where a ceremony would take place. The parades gave people, both local and visitors, a chance to remember someone they had known who died in a war and a chance to say thanks for the safe return of the veterans of the last two world wars.

The parades were not just for old veterans, but also for Scouts who marched for years in our parades. They may have not comprehended the meaning of the parade and the ceremony that followed at this point, but as they grew older, the parade and ceremony would much carry more meaning to them.

As the number of veterans from World War One & Two began to shrink, veterans from Korean and Vietnam replaced them. We still remember veterans who served in World War One when we buy a red poppy from a member of one of our Veterans organizations. The symbol of the red poppy came about when Moina Michael penned a poem in 1915 for the British troops in Europe.

We cherish too, the Poppy red
That grows on fields where valor led
It seems to signal to the skies
That blood of heroes never dies.

That symbol came to represent the flowers that cover so many graves in Flanders Field during World War One. Today, it is a symbol of all wars America has fought and a reminder of those veterans who lost their lives to keep America free.

Monday, May 30, was originally called Decoration Day, a day when families picked the best flowers in their garden and decorated the graves of veterans and relatives with a flag and flowers in remembrance.

Please contact John Ramirez for more information.

A copy of the agenda is available on the City’s website at http://www.huntingtonbeachca.gov/Government/Departments/Planning/PJB/zal/ZAAgendas.cfm. Please contact the Planning Division, at (714) 536-5271, with any questions.
National Police Week: May 15—21, 2016

National Police Week pays special recognition to those law enforcement officers who have lost their lives in the line of duty for the safety and protection of others. National Police Week is a collaborative effort of many organizations dedicated to honoring America's law enforcement community.

Several annual events take place prior to the start of Police Week to include the Police Unity Tour, which is a four-day, 320-mile bike ride from New Jersey to Washington, DC. HBPD Officers Paholski and Chen finished the Police Unity Tour on May 12. The idea of the tour is to raise awareness for fallen officers and raise money for the police memorial and museum in Washington DC. Paholski and Chen spent many hours training, preparing, raising money and taking vacation time to attend. What a great representation of HBPD, they made us proud!
COMMUNITY EMERGENCY RESPONSE TEAMS

Preparing for disasters is a major priority of the City. Countless hours have been ensuring that the city is prepared for emergencies that may occur in our community. However, we cannot do it on our own. This month the City graduated 26 students who took the necessary steps to get trained and become engaged in community preparedness and response efforts by joining Community Emergency Response Teams (CERT).

CERT is a Federal Emergency Management Agency training program that prepares people to help themselves, their family, their neighbors and their community in the event of a disaster. During an incident, emergency response personnel could become overwhelmed and resources will be limited. By becoming CERT trained, these students acquired the skills to assist emergency responders save lives and property.

To find out more about joining the team, please visit: www.huntingtonbeachca.gov/CERT

EMS WEEK

National Emergency Medical Services (EMS) Week is May 15 – 21. EMS Week is an opportunity to promote the EMS community and honor the dedication of those who provide the day-to-day lifesaving services of medicine’s “front line”. Emergency care professionals are committed to delivering the best medical care in the community and are an essential part of building a resilient health care system that functions efficiently and effectively every day.

The Huntington Beach Fire Department would like to remind the community that Automatic External Defibrillator’s (AED) are available in most city buildings. Research has shown that CPR and early defibrillation can save lives.

ORANGE COUNTY FIREFIGHTERS QUEST FOR BURN SURVIVORS

“Firefighters Quest for Burn Survivors” is a non-profit organization managed by firefighters and civilians who volunteer their services and are dedicated to assist those that have been affected by burn injuries. The organization hosts several fund raisers throughout the year where donations are received and distributed on behalf of each donor to local burn centers and foundations as well as burn survivors and their families.

The Quest caravans traveled “Code 3” through the streets of Huntington Beach and arrived at Pier Plaza on May 10th at approximately 3:00 p.m. to receive donations from the Huntington Beach Firefighters’ Association and the Fire Management Association. This is the 19th year of raising funds for Burn Survivors, Burn Organizations, Burn Programs, World Burn Congress, and the American Burn Association.
